

Question-Answer

Solicitation Number : RFQ-DHK- 0192
For : Banner Printing and Distribution

1. Question: Material of Banner Printing will be Cloth (Digital print on cloth) as mentioned in Request for Quotes (RFQ). As far as we know there are 3 types of cloth available in the market for Banner Printing (UV, Solvent and Inject). And there is a lot of difference in the price. As the type of fabric is not mentioned in the RFQ is creating problems for us in terms of bidding. It is beneficial to know which fabric to use.

Answer: We prefer “Eco Print on Digital Polyester Cloth”.

2.Question: From our previous experience we know that “delivery challan copies with receipt signature as proof of delivery” cost some extra money at delivery point. Which we usually mention in the delivery cost. Will we do the same?

Answer: Yes. All cost must be included in the quote.

3.Question: It is better we could know the percentage Tax & VAT we should calculate to determine the cost in grand total.

Answer: Please visit the website of “National Board of Revenue (NBR), Bangladesh”.

4.Question: We provide you with our “sample copy of cloth banner” for checking the quality and color shade. Which will be used for digital print.

Answer: We will receive the sample once the supplier/vendor will be selected. Please submit your quote according to the specification which is mentioned in the RFQ.
